Trail Boss Report

Workday December 3rd meet at the Juda Truckstop. Dusty Kubly need help with some bridge repair and Pete Goepfert needs help putting trail in. We need a trail into the Northsider. It was asked if we had any signs for gas from Orfordville or Footville. It will be looked into.

Rudy Ammon has some yellow plates that the club can have and write on.

As far as the bridge in Monroe it looks like we have the DNR on our side. Darren Roth explained to the club about the drawings of the bridge. Bridge is 8x6 instead of the 12 foot clearance. Someone changed the schematics on it. We can start with the DNR in Madison as far and trying to get bridge replaced maybe next year.

The map boxes will need to be put out. If anyone needs map let us know.

Christmas Party this Saturday 12/03/2011 6:00pm. At half time during the Badger game we still start drawing the winners. We will all have paint stick drawing for a chance to win gift certificates, bottles of Liquor and a piece of ham.

Women's Ride on January 14th, 2012 – Steve Goecks is organizing more info to follow.
