AWSC 1969-2009 40 Proud Years

The Association of Wisconsin Snowmobile Clubs was organized in 1969 to serve and represent Wisconsin snowmobilers and snowmobile clubs. We are dedicated to the success of Wisconsin snowmobiling and are working for safe and responsible recreational snowmobiling throughout the state.

Snowmobiling is not limited to winter activities! Snowmobile clubs meet year round and the "business end" of the sport is continually active. Legislation, conventions, workshops, fund-raising events, landowner appreciation picnics, trail planning and trail building are ongoing projects.

Mission Statement

- The AWSC supports safe, responsible snowmobiling.
- The AWSC supports the education of snowmobilers and the general public about safety and responsibility on the snowmobile trails.
- The AWSC supports law enforcement and enforcement of existing laws.
