## OFFICER REPORTS

A meeting of the Monroe Stateline Trailblazers was held at the Juda Community Center in Juda, WI. Officers present included Danny Van Houten (President), Craig Tourdot (Vice President), Berit Harpstrite (Secretary), and Laurie Schwarzenberger (Treasurer).

Danny Van Houten called the meeting to order at 7:10 pm.

### President's Report

Danny Van Houten hoped a lot of us got some riding in with the few days we had. Up North trails are good but advised if you go up t be careful, the traffic of sleds is massive.

As far as the gift certificates that was brought up and voted on at the last meeting, we had a small discussion on this subject. We are a volunteer club so in the future we will not approve a certificate because someone helped out on the trail.

### Treasurer's Report

Laurie read the treasurers report and motion was made to approve by Dusty Kubly and Pete Goepfert.

### Secretary's Report

Copies of last meetings notes was handed out for participating members to read and motion to approve was made by Darren Roth and Dusty Kubly.

### Trail Boss Report

Darren Roth did not have a lot to report on, since we have had no snow to speak of. Talked a little bit about the bridge and if something was going to happen. Per Darren something will be done.

## OLD BUSINESS

Soup Dump scheduled for February 18<sup>th</sup> was discussed due to the weather. We talked about if we should still have it since a lot would more than likely be coming on their snowmobile. The general census was to cancel but we decided to leave it on for now and will make decision the week of and make a decision and see what the weather brings.

This will all be put on the website and it was also decided that because the Vintage Ride was cancelled from February 4<sup>th</sup> if the weather permits possibly have it the same day as the Soup Dump, again provided we get snow.

Trail Maps was brought up and we still have 4 boxes left. Dusty asked if we should run them one more year so we can use what we have left, and out sponsors would get one year free.

## NEW BUSINESS

The Vice-President and Treasurer's position will be up for election in April, so start thinking about who you would like to see in one of those positions, so start thinking about who you would like to nominate.

Darren talked about the signs for marking the trail. We need to keep track of the posts and signs. We are not getting a lot of income this year from grooming, so if you have any posts or signs lying around or still sitting along a fence line and not being used please take them to Darren Roth so we can re-use.

Talked about the money Green County will pay for work we do. The Badger State Trail we can't do anything because it is controlled by the DNR.

Bob Voegeli from the Green County ATV Club was present and wanted to thank the club in helping to pay for the rental of a tractor to fix trail etc.

**Meeting Adjourned**

Danny Van Houten asked if there was any additional new business. He then asked for a motion to adjourn. Darren Roth made the motion to adjourn and Dave Steuri seconded the motion. Meeting was adjourned at approximately 7:55pm.
