Meeting called to order at 7:07pm by Dan Van Houten.

Secretary's report was read and motion to approve was made by Joe Schwarzenberger and Brian Harpstrite.

Treasurer's report was red and motion to approve was made by Todd and Dennis Johnson.

Trail report: The 2 ½ -3 mile trail from Browntown that we lost a couple of years ago, is now ours again.

December 3rd is Christmas Party and we have decided to make it a work day. If the fields are clear should be able to get trails in etc. December 1st is the safety course from 7pm to 9pm and the snowmobile meeting is that same night. The safety course is generally held in the Community center so we are going to have the meeting upstairs.

Old Business:

Dusty Kubly have sold about 47 raffle tickets, still have some left. Jon Ammon is going to send out a mass email to everyone in the middle of November about getting all of them sold before the Christmas Party on Dec 3rd giving the ticket to someone else to try and sell.

A Mass email will also be sent out about the Christmas Party, anyone can participate.

We talked about ways to draw the tickets that night.

Members at the meeting were asked if they had received the mass email about the Skidoo deal. You should print out the form, fill it out

and mail it and the club will get \$10.00 back per member.

The trail list was talked about, it need some updating before the Christmas packages are distributed. Tim Wolff said he would order 100 of them that should give us enough to hand out.

The insurance was discussed again and we are going to stay with what we have.

Some members brought up about how to pay member ship fees online and that they have not been able to find the site.

Jon Ammon explained how to access it by going through the donation page, fill out your information and the option comes up.

Dan Van Houten thanked everyone for coming.

Meeting adjourned at approx. 7:50PM

Remember going forward all meeting are at the Juda community Center.

NEXT MEETING DECEMBER 1ST.

HOPE TO SEE MANY OF YOU THERE.
